Gwinnett Safe Communities

Increasing Safety. Respecting Privacy.

Help create a safer Gwinnett by enrolling in our community camera sharing program!

Registering your camera enables Gwinnett Police to get important information faster. The more cameras registered, the faster we can connect the dots to help solve crimes. This will help to create safer communities.

Integrating your camera with Gwinnett Safe Communities creates a mutual agreement between you and Gwinnett Police. Your camera will only be accessed for proactive monitoring for criminal activity, during a criminal incident or emergency at or near your location.

Scan the QR code for more information and to register your camera.
